PERMISSION TO PUBLISH FORM

For Late-Breaking Papers at the GECCO-2001 Conference

Title of Paper: _____

Author(s): _____

The undersigned (hereinafter the "Author"), desiring that the paper identified above (hereinafter the "Paper") appear in a publication entitled "Late-Breaking Papers at the 2001 Genetic and Evolutionary Computation Conference" to be edited by David E. Goldberg and John R. Koza, hereby grants non-exclusive permission to the International Society for Genetic Algorithms ,a Massachusetts not-for-profit corporation and Genetic Programming Inc., a California corporation, to prepare and print the Paper for distribution at the Genetic and Evolutionary Computation Conference 2001 and sale throughout the world, in this publication.

The Author retains copyright, right to transfer the copyright to other parties in the future, right to use any and all portions of the Paper in future publications by the Author, all proprietary rights (patent rights, etc.), and all other rights.

The Author warrants that he/she is the author and/or proprietor of the Paper; that he/she has full power to make this agreement; that the Paper does not infringe upon any copyright,
